ROULEUR

J.Laverack Bicycles / ÆRA Components

At J.Laverack & ÆRA Components we pride ourselves on an unswerving commitment to perfection. For 5 years we have tirelessly developed our range of bespoke titanium bicycles, every single one handcrafted to the highest standards. As our brands continue to grow an exciting opportunity has arisen for a talented individual to join our team.

J.LAVERACK / ÆRA COMPONENTS ROULEUR

The Role, *reporting directly to the co-founders:*

- Work with our clients from initial contact right through to collection of their bicycle, wheels or components.
- Be the after sales lead for both J.Laverack and ÆRA Components
- Provide timely communication with clients via email and phone
- Help manage and be accountable for custom build projects and wheel builds.
- Help further establish both J.Laverack and ÆRA brands
- Assist with new projects and the development of products

The Candidate

- Be an active cyclist with a finger on the pulse of the road and gravel cycling scene.
- Able to represent the J.Laverack brand in a professional manner
- Possess strong communication skills
- Proactive and interpersonal style
- Have a good eye for details and design
- Use initiative and work autonomously, as well as follow direct instruction
- Ability to react to change as we continue to grow and the role develops.
- Have a strong technical understanding of bicycles and components
- Be hands on when needed, team focussed and have a can do attitude
- Having experience retail would be an advantage but this is not essential.

Being part of a small team means a can do attitude is essential as the role will continue to evolve and all team members will be expected to help each other in different areas during busy periods.

For the right candidate this is an amazing opportunity to join a growing company and be part of our journey.

To apply please email your CV with covering letter to careers@jlaverack.co.uk.
